

# In search of male superstars

**THE search is on for a cast of superstars as a Worle amateur dramatics group take on an Andrew Lloyd Webber classic.**

Jesus Christ Superstar will be presented by the Worle Operatic and Dramatic Society (WODS) this year and the team are looking for more men to take part, as the show requires a large male cast.

WODS have very strong male performers but are

always outnumbered by women. The show will take place at Weston's Playhouse in October and if you are interested in joining, auditions for new members – both men and women - are being held in March.
